INTERPRETING and SCORING Your Profile Score

Write your SCORE TOTALS Below:

A: _____ B : _____ C : _____ D : _____ E : _____

- KEY for your TOTALS -

A = Words of Affirmation B = Quality Time C= Receiving Gifts
D = Acts of Service E = Physical Touch

Interpreting and Using Your Profile Score

Your primary love language is the one with the most references.
The highest possible score is 12.

You are “bilingual” if you have the same score for two.

If you have a close, second place language, it means
that area is important to you as well.

The main benefit of this information is for couples to
begin speaking to one another in each other’s language.

The payoff is a better connection, improved communication
and even improved romance and intimacy.
